These classes are made available during the student's regular schedule and they are required to attend at least one per academic year. To further protect our students, the school does not disclose full names, attendance status, or schedules of students. We also encourage them not to share their full name, schedule, or any other personal information with clients

Protection Order/Restraining Order:

Any student or staff member is strongly encouraged to provide legal documentation regarding their safety to the school. As well we recommend giving the school a photo of the person the order is against to insure prompt identification.

Reporting and Procedures for Crime Related Offenses:

Petty theft is addressed internally, but on occasion police intervention is used. Even though stealing is rare, it is inevitable with a large group. Stewart School provides locked lockers for student's personal belongings and has a printed policy discouraging borrowing and lending. Students are advised not to bring large sums of cash to school. Students caught stealing from the school, staff, students, or clients are terminated from school immediately.

Emergency Notification Procedures:

Stewart School utilizes an overhead paging/intercom system to notify all students of any potential danger or announcements that may affect their safety in school. It is published in the Student Handbook that any non-school time announcements will be made over the radio or television stations. This is in regard to weather related situations, as well as student emergency issues.

Hostage/Intruder Situation Plan:

If an intruder(s) enters a classroom or enclosed area with a weapon and threatens to shoot or injure persons, this guideline should be followed:

School Director/Designee

1. Immediately notify Police/Sheriff and appropriate law enforcement agencies (911).
2. Initiate Action Secure Building by paging CODE RED
 - a. Lock down building, and do not let any students that are not in class enter the building.
 - b. Alert all rooms of the event.
 - c. Educators lock your classroom doors and do not let student leave the classroom until the police evacuate them.
 - d. Advise Students and others to stay off of their phone to prevent from locking down the phone system.
3. Monitor hostage situation the best you can without doing anything to exacerbate it.
4. Follow instructors of law enforcement officials who will take over when they arrive on site.

Staff

1. Remain calm. Talk with the individual(s) in a low-key, non-threatening manner. Do not argue with or antagonize the individual(s) in any way.
2. Keep your distance. Give the intruder(s) ample personal space.
3. Do not attempt to deceive or threaten the intruder(s).
4. Do not “buy into” the delusions of the intruder(s)
5. Suggest marching the students and /or staff quietly out the back door. Back off if this approach angers the intruder(s).
6. Constantly be alert and prepared for violence. Initial Action, Duck, Cover and Hold if the intruder(s) open fire.

Note: If the school becomes involved in a hostage situation, the primary concern must be the safety of students, co-workers, and guests. Individuals who take hostages are frequently emotionally disturbed, and the key to dealing with them is to make every attempt to avoid antagonizing them. Communication

must be handled in a non-joking manner, always remembering that it may take very little to cause such persons to become violent.

If an individual(s) enters campus and acts in a threatening way (with or without a weapon) or begins firing a weapon, the following actions will be taken:

School Director/Designee:

1. Inform staff supervising students in classrooms to initiate Action Duck, Cover, and Hold.
2. Immediately notify Police/Sheriff (911) and appropriate law enforcement agencies.
3. Work in coordination with supervisors of law enforcement agencies until the situation is resolved.
4. Initiate student release procedures and/or evacuation procedures only if it becomes necessary.
5. In classrooms, lock classroom and maintain Action Duck, Cover and Hold until the situation is resolved.
6. In open areas, move students to safer areas as quickly as possible. Only in extreme cases should it become necessary to initiate Action Drop, Cover and Hold; this should be done only when there is no chance for students to reach safer areas.
7. Students that are locked in safe rooms should remain there until police remove them.
